O R D E R

On November 12, 1986, the Commission issued an Order requiring Louisville Gas and Electric Company ("LG&E") to submit certain information. Pursuant to that Order, the Commission now requests additional information pertaining to this case. The information requested herein is due no later than January 15, 1987. If the information cannot be provided by that date, LG&E should submit a motion for an extension of time stating the reason why a delay is necessary and including a date by which the information will be furnished. Such motion will be considered by the Commission.

According to Commission regulations, "FB/SB shall be so determined that on the effective date of the Commission's approval of the utility's application of the formula, the resultant adjustment will be equal to zero."

LG&E shall select a test month or use the most recent month for which data is available and submit the information originally requested in Appendix A, paragraphs 2, 3, 4, 18 and 19.
